Dear Parents, Friends, and Alumni,

Hi, my name is James Lamoureaux. I am a Boy Scout with the rank of Life in Troop 2 in Tolland, CT. I have chosen to pursue one of the highest ranks in Boy Scouts. That is the rank of Eagle. One of the main requirements to achieve the rank of Eagle is to successfully plan and execute a service project that benefits my community. My project is to replace the sign and the surrounding planting at Lake Street School. I am a 2008 graduate of Lake Street School. I started my scouting career here. I had such a great time in Cub Scouts that I wanted to give back. Pack 221 and the school are very important to me; this is why I came up with this idea.

I would like to ask you to make a donation as part of my fundraising campaign. There will be a collection can in the school office. If you would like to make a donation by check please make it payable to Troop 2. I am very excited that Lake Street School is getting a new sign so please make a donation and help me raise money for this project. Below is copy of what the sign will look like.

Thank You For Your Support,  
James Lamoureaux
