

Thanksgiving Food Drive

As part of a commitment to community service, Lake Street School students will be involved in a food drive to benefit the Hockanum Valley Community Council Food Pantry. Our goal is to collect the items needed to make Thanksgiving baskets full of food to be used throughout the holiday.

We are looking for a variety of items to fill the baskets. A suggested list of items was sent home last week. Some foods on the list include: stuffing mix, cranberry sauce, canned fruits and vegetables, macaroni and cheese, cake mix & frosting, apple or cranberry juice and cereal.

The food drive will run from November 16th - 21st.

Friday, November 18th will be HAT DAY. Students may wear a favorite hat in school all day for \$1. The money collected will be donated to the HVCC to aid in purchasing Thanksgiving turkeys.

Thank you for your generosity in helping families in need!
(This is a voluntary community service project.)
