Dear Lake Street Families,

Welcome back to Lake Street School to those of you already a part of our community, and a great big welcome and hello to those of you who are new to our school! We hope you all had a great summer and are ready to delve into a new school year with high hopes and expectations. We are lucky to have a fabulous group of teachers and staff that are so dedicated to guiding our children through their elementary school experience.

On top of that we have an equally hardworking PTO organization, parents who are dedicated to doing the best for our children, volunteering their time in the classrooms, maintaining our Website, writing our newsletter, providing classroom enhancement programs, running family fun nights, running books fairs to encourage our children's literacy and much, much more. There are many places where you can see evidence of the hard work the PTO parent volunteers do to make Lake Street a great learning place for our children. It is with these things in mind that we hope you will take a close look at this Welcome Back Packet. Please take a moment and look at upcoming events and committees and see what peaks your interest. Consider the important role the Lake Street School PTO plays in your child's life at school. There are so many ways that parents contribute, and we hope to see new faces at our PTO meeting this year and as volunteers for our programs and events.
